CEO MESSAGE

- ▶ Since 1960, our journey commenced with a commitment to provide excellence in products and services to all workplaces. Through the dedicated efforts of our team, we have successfully upheld customer trust, ensuring enduring satisfaction.
- ▶ Our dedication to crafting exceptional products and services is fueled by the conviction that our actions for customers drive us to meticulously design and deliver outstanding offerings.
- ▶ In the forthcoming years, our intention is to delve into new horizons and enhance our capabilities, actively participating in the remarkable progress of our nation. At KASFA MOUNTAIN TRADING INTERNATIONAL, we advocate for unparalleled advancement and exceptional dedication towards forging a brighter future.

▶ **Jawad Jahangir.**

Who We Are ?

- ▶ **KASFA MOUNTAIN TRADING Industries**, established in 1960, specializes in the production of Personal Protective Equipment (PPE). As a third-generation business in this industry, we take pride in our longstanding commitment to safety.
- ▶ It's inspiring to hear the story of the evolution of your company, especially from its humble beginnings as a small workshop manufacturing gloves. Mr. Muhammad Yaqoob Qureshi's passion and entrepreneurial spirit evidently played a crucial role in transforming the workshop into a successful business.

WORK WEAR

▶ Workwear is designed to offer robustness and safeguard workers during their tasks. Our assortment of work attire comprises customized safety vests, jackets, and coveralls available in various designs and sizes, ensuring optimal protection and durability for every job.

GLOVES

▶ Certainly, choosing the right gloves for a specific task is crucial for both comfort and safety. Different types of gloves are designed to provide protection against various hazards. Here are some common types of work gloves and the tasks they are suitable for:

- ▶ Working Gloves
- ▶ Welding Gloves
- ▶ Cycling Gloves
- ▶ Motocross gloves
- ▶ Motorbike Gloves
- ▶ Goalkeeper Gloves

MOTROBIKE JACKETS

▶ A motorbike jacket is a specialized type of jacket designed for motorcycle riders. These jackets serve multiple purposes, including providing protection, comfort, and style.

Here are some key features and considerations when it comes to motorbike jackets:

▶ **Protection** : The primary purpose of a motorbike jacket is to provide protection to the rider in case of accidents or falls.

▶ **Armor** : Many motorbike jackets come equipped with built-in armor or padding in critical areas such as the shoulders, elbows, and back

▶ **Fit and Comfort** : A proper fit is crucial for both comfort and safety. Motorbike jackets are often designed with a snug fit to reduce wind drag and prevent flapping at high speeds.

FASHION WEAR

Casual wear typically refers to comfortable and informal clothing suitable for everyday activities, such as hanging out with friends, running errands, or attending casual events. The specific clothing items may vary based on personal style, cultural norms, and climate, but here are some common examples of casual wear :

- ▶ T-shirts and Polo Shirts
- ▶ Tracksuits
- ▶ Jeans or Chinos
- ▶ Hoodies
- ▶ Sweatshirts
- ▶ Varsity Jackets
